## About Us

MP Crane India is a trusted manufacturer and supplier of Wire Rope Hoists, Electric Overhead Cranes, Single Girder EOT Cranes, and more. Known for quality, durability, and competitive pricing, our products have earned customer trust and a strong market reputation. We also specialize in Turnkey Project services, delivering excellence from concept to completion.

Backed by a team of expert engineers and a state-of-the-art manufacturing facility in Ahmedabad, we aim to set new benchmarks in product excellence, timely delivery, and exceptional service.

## Our Vision

At MP Crane, we strive to be a global leader in material handling solutions, delivering safe, reliable, and high-quality lifting equipment. With a strong foundation built since 2011 under the leadership of **Mr. Jayesh Raval**, we are committed to innovation, precision engineering, and customer satisfaction.

## Why do Customers Prefer Us?

- 01 We always deliver the orders within the promised time frame without making any hold.
- 02 We are quality-driven and make sure that the entire production process is carried out by our team in accordance with the industrial norms.
- 03 We never give cold shoulder to the special instructions given by esteemed customers.
